SPECIAL INTRODUCTORY OFFER!!!

Registration is now open for the MEMI in-person certification training. This course and the coaching required for certification is conducted by Dr. Mike Deninger and the certification process is handled by Arizona Trauma Institute. With this special offer, the course costs only \$149! If you decide to become certified the cost for coaching and certification is only \$600—less than half what you'd pay for comparable EMDR and ART certifications. Register before September 20th and we'll include a free copy of the Multichannel Eye Movement Integration book!

Mike is a trainer with Arizona Trauma Institute and the creator of Multichannel Eye Movement Integration (MEMI). A seasoned trauma therapist, he holds trainer certifications in Neuro-Linguistic Programming, Ericksonian Hypnotherapy and Eye Movement Integration. A trauma survivor himself, Mike communicates with a confidence that only someone who has been there can.

MEMI's uncomplicated theory and remarkably straightforward protocol and procedures are refreshing alternatives to the complexities of other eye movement therapies. To register, complete this fillable form and return to drmikelpc@comcast.net.
